Branding  
Coding  
Interactive Media  
Typography

## Education

State University of New York Cobleskill, Cobleskill NY  
Bachelor of Science in Graphic Design, 2022

Fulton–Montgomery Community College, Johnstown NY  
Associate Degree of Applied Science, 2019

## Work Experience

**Food Service Attendant, St. Mary's Healthcare,  
Amsterdam New York**  
July 2020-Present

Food service attendant at a healthcare facility. Tasks include working the food line, delivering food to patients, washing pots and pans, and restocking pantry.

**Dish Washer, 518 Grille, Amsterdam New York**  
April 2015-March 2020

Worked as a dishwasher and cleaner at a local restaurant. Washed pots and pans, cleaned the kitchen area, and responsible for taking out garbage.

## Volunteer Work

Provided volunteer work with the Boy Scouts of America by visiting retirement homes, cleaning up parks, collecting food for food banks, and flag ceremonies.

## Objective

My overall objective is to live on my own and start a career in graphic design. I'd enjoy working with other designers in groups.
